TESTIMONIALS

Wow that was such a good night! You did such an amazing job for setting the atmosphere and it wouldn't have been the same withoutyou guys there. I have only heard positive feedback from everyone saying it was "lit" haha. It was great working with someone that's so easy to communicate with as it made our job so much easier!

On behalf of all of the students of Waiheke High School, thank you so much for the job you did on Friday! I have received a huge amount of positive feedback about the music and in the last 3 years, I've never seen everyone dance as much as they did with you as a DJ.
