About us

From ceremony to last dance, NZDJ will make your wedding day one to remember! We pride ourselves on our ability to create a personalised entertainment experience for you, ensuring your special day is accompanied by the perfect mix of music. Our professional DJ & MC services come highly recommended from the regions finest wedding venues and will transform your ideas and vision into a reality; reflecting your style & personality.

KIERAN BELL PREMIUM WEDDING DJ

Kieran Bell is the founder of NZDJ, New Zealand's biggest & most respected nationwide DJ entertainment company.

Kieran has been DJ'ing for over 13 years and in his time has entertained some of the countries most prestigious companies and at some of NZ's biggest events.

Kieran's largest event to date saw him DJ for a crowd of 30,000 New Years revelers at the Mount Maunganui Main Stage.

He's also the resident DJ at Ellerslie Racecourse, providing the DJ entertainment at every significant event on the New Zealand race day calendar.

Our Services

Weddings are multi-faceted events that require bold ideas, precise scheduling and meticulous execution. We provide a free consultation to discuss your plans and expectations, before working through each ceremonial and celebratory phase of your wedding to create the right atmosphere for every moment.

Once equipped with your instructions and a detailed understanding of your wedding and guest lists, our accomplished wedding DJs will develop their sets around your key song choices and preferred genres, reading the mood throughout and organically adapting their selections as the big day runs its course.

CONSULTATION PROCESS

We will liaise with you before your big day to discuss exactly what you would like from us and what we feel we can bring to your event.

NZDJ can cover all of your music/audio requirements from the ceremony to the wedding reception.

WEDDING : MUSIC

For NZDJ, providing premier wedding entertainment is all about using the music to create an atmosphere within the room, bringing people of different ages and musical backgrounds together.

Our music selection process is unique to the New Zealand wedding entertainment industry & allows you to create a personalised playlist for your special day. Which genres/artists/songs we play are totally up to you, it's your day. We will use our professional skill & judgement to blend the music and play the right song at the right time throughout the evening.

All of our DJ's are extremely approachable and are more than happy to cater to any special music requests that you, or your guests may have on the night.

SOUND & LIGHTING

The sound & lighting equipment NZDJ uses is top of the line!

SOUND

Our professional sound systems can cater to any number of people & can be custom designed to suit your chosen venue.

Our range of professional equipment includes wireless equipment if your ceremony is in a beautiful remote location.

LIGHTING

Custom designed lighting to suit your personality are what sets NZDJ apart from the rest. We can design a lighting package that complements your chosen colour scheme & theme, and transforms the venue to enhance the mood - while keeping within your budget.

MULTI-CULTURAL WEDDINGS

Providing the DJ entertainment at multi-cultural weddings is also one of our specialties. We have specialised DJs with vast experience of entertaining at cultural weddings where the style of music included Arabic, Bollywood, Pacific Island, K-Pop & more!

MC SERVICES

As well as providing exceptional DJ services, we can also take care of the MC duties for the day. We have years of experience & specialise in creating a relaxed & fun environment for you & your guests.

BATTERY POWERED SPEAKERS + MICROPHONE

Having your ceremony in an amazing remote location? No problem, we have professional battery powered sound systems that will take care of the sound in any location.

LAPEL MICROPHONE

Celebrants often request a lapel microphone and we can deliver. You may also want to keep your hands free during your vows and this is the perfect solution.

VIDEOGRAPHY

Our specialised in-house video team will capture your special day and turn moments into memories you can treasure forever.

Photo Booth Services

To complement our Premium DJ services we can also provide an awesome 'Open-Air' Photo Booth.

We've thrown out the clunky restrictive box, burned the curtains and introduced something totally new!

It's jam packed with technology, studio quality lighting and utilises the latest and greatest digital cameras so you can capture & share moments and memories.

PHOTO BOOTH SERVICES & FEATURES

- ◆ Custom designed print strips unique to your wedding
- ◆ Large range of stunning back drops
- ◆ Unlimited instant prints
- ◆ Hi-res digital photos delivered post event
- ◆ Fun props

Ask us about our Photo Booth pricing today and if we're also providing your DJ services we can do a great rate on a combined package.

Testimonials

We take great pride in providing exceptional wedding DJ services. Have a read about what past NZDJ clients have had to say about us...

Steve & Kylie Mutch
Goldie Estate Waiheke Island

"I have to say you guys did an awesome job! Kieran was one of the most organised vendors at our whole wedding, and the entire process, from meeting at the outset, to the end of the night was completely seamless. Your music selection was also perfect, and the dance floor was pumping all night. I would absolutely recommend NZDJ for any event!"

Victoria & Andrew Craw
Sapphire Room Ponsonby Central

"I'm sure all my guests would agree we absolutely loved the music! I witnessed family & friends that don't normally dance at all, get up on the dance floor. It was a fabulous night. From Andrew & myself, a massive big thank you to the NZDJ team for your brilliant efforts. I would highly recommend you for any event! Forever grateful."

Vanessa & James Booker
Villa Maria Winery

"NZDJ are complete professionals! We booked them for our wedding at Villa Maria Winery in February and they did an amazing job. Everything was organised remotely as we live in Australia but Kieran was great to deal with and the music selection process made sure we got all our favourite tunes. Cade who was the DJ on the night did an awesome job and kept everyone dancing from the first dance to when the lights went on at the end of the evening. Thanks guys!"
